

Why is having a good vision plan so important?

Routine vision exams are important for your eyes and may help catch early signs of serious problems, such as diabetes, high blood pressure, heart disease, high cholesterol and other conditions.¹

That's why yearly exams are important, even if you have perfect vision.

Make vision care a priority.

Vision care services without a vision plan can be expensive, and out-of-pocket costs can add up fast. Find out how much you could save² with MetLife Vision Insurance featuring the **Superior Vision®** network.

Why should I enroll now?

- Access to a vision exam and eyewear with a large network of eye care professionals

Did you know...

79%

of U.S. adults use a form of vision correction, including glasses and/or contact lenses.³

You can get MetLife Vision Insurance for monthly rates less than the cost of...

A medium cup of coffee⁴

1x per week

Your benefit in action

Here's how easy it is to use Vision Insurance:

Choose a licensed vision care provider from a large network of ophthalmologists, optometrists and opticians at private practices or retail locations.

There are no claims to file when you go to a participating, in-network vision provider. You don't even need an ID card.

Discuss premium payment options with your plan administrator.

Enroll in Superior Vision today!

Frequently asked questions

Why should I enroll?

- A. Coverage** includes routine eye exams, glasses, contact fittings, lenses and more¹³. Even if you don't wear glasses or contacts, regular visits to your eye doctor **may help contribute to your overall health** by potentially catching serious problems like diabetes and high blood pressure.¹

Can I choose my own eye care professional?

- A. You can go to any licensed eye care professional¹³.** Visit a participating licensed eye care professional or choose popular retail locations.⁸ Enjoy lower out-of-pocket costs when visiting a participating vision care provider.

Or visit in-network, online eyewear stores.

If you choose an out-of-network provider⁹, you may have increased expenses, will need to pay in full at the time of services, and will need to file a claim with MetLife for reimbursement.

How can a vision plan help me save money?

- A. Eyeglasses and routine eye exams can be more expensive than you may think.** With MetLife Vision Insurance featuring the Superior Vision network, you can potentially save² on eye exams, stylish fashion eyewear, lenses and more through low to no copays.

What kinds of frames are covered?

- A. Your eye care professional can help you choose from classic styles to the latest designer frames.** Select from **hundreds of options** available to you¹³.

When can I enroll?

- A. You can enroll during your open enrollment period.**

1. Kelley, OD, MS, Sonia, Are eye exams just as important as other health exams?, AllAboutVision.com, April 13, 2022, <https://www.allaboutvision.com/eye-care/eye-exams/rethinking-importance-of-eye-exams/>. Accessed April 25, 2024.
2. Your actual savings from enrolling in a vision plan will depend on various factors, including the plan chosen, plan premiums, number of visits to an eye care professional by your family per year, and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.
3. The Consumer inSights Q1 2022 Report, The Vision Council, May 11, 2022, <https://thevisioncouncil.org/blog/vision-council-releases-consumer-insights-q1-2022-report>. Accessed January 17, 2024.

5. Lens enhancements are available at participating private practices. Pricing is subject to change without notice. Please check with your provider for details and availability prior to receiving services. Additional discounts may not be available in certain states or at certain retail locations.
6. Discount off retail. Not all providers participate in vision program discounts, including the member out-of-pocket features. Call your provider prior to scheduling an appointment to confirm if the discount and member out-of-pocket features are offered at that location. Discounts and member out-of-pocket are not insurance and subject to change without notice.
7. The Superior Vision network provides you with the opportunity to access discounted laser correction services. Laser vision correction services are administered by QualSight, LLC, and may not be available in all service areas. Superior Vision makes no representations regarding any services provided by QualSight, LLC. Not everyone will qualify for LASIK surgery. Results will vary. Please discuss outcomes with your eyecare provider.
8. For a list of participating providers, use the Find a Vision Provider tool at metlife.com. Select Find a Vision Provider, choose Superior Vision as the network, complete the information requested and hit the Search button.
9. If you choose an out-of-network provider, you may have increased expenses, will need to pay in full at the time of services, and will need to file a claim with MetLife for reimbursement.
